A little more about us

With an aim to uplift the living standard of people throughout Rajasthan's tier and 3 tier cities, the strong foundations of 'ARIHANT GROUP' were laid. Pioneering realms since then, the name stands aloof in the Real Estate sector of Rajasthan. Clinching the niche of a planned development across residential, commercial, and retail segments of the industry, the group firmly believes in inspiring a redefined living. Re-incarnating from old to the contemporary face along with perfectly rendered transition plans, the group looks out for lifestyle transformations in the targeted cities, through the architectural and creative brilliance. Growing at a fast pace, the group is sure to establish itself as a market leader in the real estate and infrastructure industry.

The group was founded by Mr Rakesh Goel who himself has made a name in the real estate industry and for his services was also awarded as the "Icon of Rajasthan" in 2014. The legacy which he started is being continued by his sons Mr Rishabh Goel and Mr Ripul Goel whose main inception is to take the group forward alongwith innovative ideas and creating new milestones.
